

West Kildonan Curling Club

KidsCurl Program

West Kildonan Curling Club's KidsCurl Program provides a great opportunity for kids to learn about curling in a fun and interactive environment.

During the first half of the program, kids learn the technical and strategic components of curling as well as game etiquette and safety. Activities include one-to-one instruction, drills, and team play. The second half of the program, starting in January, will focus on team building and game play. Kids will be part of a regular team and will play a round robin.

The coaches and volunteers are committed to working with each child to build their individual and team playing curling skills, with the goal of having each child achieving a feeling of success each time they leave the ice.

Free session: Saturday, November 1, 2008
10:30 - 11:30 am

(Registration from 11:30 am - Noon)

This session is for kids who have not curled before but would like to try or for kids who would like to have a warm up before starting the season. Coaches will be available to provide instruction.
